Re: Cieniewicz V. Dr. Ghafourpour et al  
Case # 1:22-cv-172 (LMB/TCB)

Dear Mr. Galindo/Hon. Leonie M. Brinkema,

I thought that me being transferred to a prison would have made my access to information pertaining to filling and procedures easier however that has worked against me once again. It seems I am denied even correspondence materials and postage, which I have attempted to receive. I hope that the Motion which I am including is sufficient and please understand that I have had absolutely no outside help or legal advise in any way shape or form now or at any time in the past. It became blatantly obvious that I was being retaliated against by the Medical Dept. at Chesapeake City Jail. I have been denied access to my medical records which may have assisted me in obtaining a lawyer to assist me as I have been diligently seeking.

At this time I would ask the Court to Order that Wellpath surrender all Medical records pertaining to Plaintiff. I would also ask that you accept this Motion to amend my original complaint.

Sincerely,  
Theresa Cieniewicz
